> How do I access online journals and books from off-campus?
For connection and login instructions: library.caltech.edu/databases/proxy.htm
Caltech faculty, students and staff have 24/7 remote access to Library-licensed resources.

> How do I find articles and correctly cite them?
Ask A Librarian: libguides.caltech.edu/askalibrarian
Attend a Library workshop. To view the schedule and register online: libguides.caltech.edu/instruction

> What do I do when I need an article from a journal that the Library does not have?
You request it through DocuServe, the Library’s free document delivery service. For additional information: libguides.caltech.edu/docuserve

> How can I get a book that the Library does not have?
You request it through DocuServe, the Library’s free inter-library loan service. For additional information: libguides.caltech.edu/docuserve

> Can the Library help to manage my research data?
Yes, contact us at data@caltech.edu

> Can I borrow textbooks for my classes?
Copies of books used in most Caltech courses (Course Reserves) are available for 3-hour checkout from SFL.
Review the list of available books: library.caltech.edu and Search ‘Course Reserves’

> Do you have computers that I can use?
Caltech faculty, students and staff may use PC and Mac computers in the Library, as well as check out laptops, iPads and Kindles from SFL.
Software available on Library computers is listed at: libguides.caltech.edu/Library_Software

> Are there rooms for group and solo use?
Group study rooms are available in SFL. Quiet study areas are available in all of the Library locations.
Room information and reservations: library.caltech.edu/reservation

> How do I learn more about the TechLab and 3D printing?
The TechLab is open for drop-ins and by appointment: libguides.caltech.edu/TechLab
